Calypso

Family focused

Designed to appeal to the entire family and characterised by its large feature panoramic windows, the all-new Calypso echoes the great outdoors with a family focused interior with plenty of space for all. Striking wood colours and vibrant contrasting contemporary fabrics to both seating and curtains combine to create a truly modern lifestyle holiday environment throughout this appealing new holiday home.

Integrated fridge-freezer optional extra

Calypso

Family focused

With both the two bedroom and three bedroom models featuring bunk beds as standard, there's a real family feel to the Calypso. The wider bottom bunk can comfortably accommodate an adult or teenager and with a kingsize bed and an en-suite WC in the main bedroom of the two bedroom model the Calypso has a funky, fresh appeal that can cater for the entire family.

Photography is of the 35 x 12 - 2 bedroom model. All specifications are subject to change. Please check with your Distributor or Park Operator for more details.
